PRESIDENT: The motion fails. The Chair thinks we made a mistake earlier in resubmitting this proposition to you. I think this bill has to be amended. It isn't like the emergency clause being deleted. I think it has to be amended to provide for the November election, then it goes back on final hearing for vote. In view of that, I think that LB 363...I resubmitted it to you immediately for the November ballot. I think that is wrong. I believe the action of the legislature is a nullity because the bill wasn't amended. Is it just.... If there is any confusion about it..Senator DeCamp.
